The New York Biology Teachers' Association presents a
Howard Hughes Medical Institute

All-Day Workshop for **High School and College Biology Educators** on:

THE ORIGIN OF SPECIES

- FREE, classroom-ready materials will be presented.
- Coffee and lunch will be provided by HHMI.
- Registrants must agree to field test new resources from HHMI and complete a survey instrument for each (within the specified time-frame). Stipends will be provided once the field test is complete.
- Priority will be given to teams of two or more biology teachers from the same school.
- Enhance your content knowledge and your teaching.
- Professional Development Certificates will be available.
