

***New York City DOE, the American Museum of Natural History,
the New York Biology Teachers Association, and HHMI
BioInteractive Present***

Evolution: Natural Selection, Speciation, and Beyond

A series of FREE workshops for
AP Biology and IB Biology Teachers

The first workshop will be held:

December 16, 2017

8:00 AM-3:30 PM at the

American Museum of Natural History

- The workshop will focus on concepts of evolution through the process of natural selection, with the connection of developing scientific explanations
- Receive free classroom-ready materials for the teaching of evolution.
- Enhance your content knowledge and classroom practice.
- Focus on rigorous, standards-aligned pedagogy.
- NYCDOE teachers will receive Training Rate compensation for attending the workshop.
- Living Environment teachers also welcome.
- Breakfast and lunch, and professional development certificates will be provided.
- Subsequent workshops will be held in 2018. Teachers are encouraged to attend all three workshops.

Space is Limited! Register Today:
